THEIR STORY

BRIDE Lacie Swartzendruber, 32, a florist at Pearls & Lace Floral **GROOM** Ryan Dehn, 32, works in restaurant supply sales **HOW THEY MET** In high school **WEDDING STYLE** Lacie describes their theme as “art deco meets Gatsby’s greenhouse.” They outfitted their entire day—including a dress code for the guests—in a glam palette of metallic neutrals. —MO

“I had envisioned something unique and full of layers and texture,” Lacie says of her one-of-a-kind gown. “I gave the ladies at Foat Design my color scheme and told them to take it from there—and from there they took it! It was a beautiful dress. I thought I would only ever see something like it in a magazine.”
